

# Overview of ICT Jobs in AIR ASIA

The AirAsia logo, featuring the brand name in a white, cursive script font, centered within a solid red circle.

## INTRODUCTION

AirAsia, Asia's leading low-cost airline, flies to more than 165 destinations in 25 countries with affordable ticket prices and great hospitality. The airline, established in Kuala Lumpur, Malaysia, in 2001, it transformed the aviation industry with its digital-first approach and no-frills model. Earning the title of "World's Best Low-Cost Airline" for over a decade. Beyond aviation, AirAsia now offers food and grocery delivery, logistics, accessible banking, farm-to-business solutions, and online tech education, empowering communities across Asia.

## EXECUTIVE SUMMARY

The Industry Talk, provides insights into the dynamic ICT sector, featuring AirAsia as a leader in innovation and technology. The session explores diverse career opportunities, essential skills, and emerging industry trends. AirAsia professionals share their experiences, highlighting the company's inclusive "All Stars" culture, agile work environment, and impactful projects. As attendees, we gain practical guidance and knowledge to navigate and excel in ICT career paths.

## REFLECTION

This career talk on AirAsia provided valuable insights into the critical role of ICT in fostering innovation and industry growth. AirAsia's evolution from a low-cost airline to a tech-driven company demonstrated how ICT enables business diversification. The talk emphasized the value of teamwork, an agile work environment, and continuous learning to stay relevant in the fast-paced ICT landscape. Hearing about diverse career opportunities and impactful projects reinforced the importance of ICT in shaping industries.

## CONTENT

The Industry Talk 1: UTM x AirAsia Industry Webinar 2021 introduced AirAsia representatives, including Mr. Boey Winson, Mr. Sandeep, and their team.

Mr. Sandeep provided an overview of AirAsia's business, partnerships (Teleport, BigPay), goals, and internship opportunities, highlighting strong collaboration with UTM. Mr. Shardul shared insights on AirAsia's work culture, career paths (e.g., Frontend/Backend Developer, Data Scientist, DevOps), and essential skills for job seekers, emphasizing Agile practices and code reviews.

Mr. Danial discussed work-from-home opportunities, while Mr. Boey detailed the internship timeline and application process. The event also explored industry trends and career development, offering valuable insights for students and professionals
